Children's hospitals in Texas are also consistently ranked among the nation's top hospitals for pediatric specialties and welcome children from across the U.S. and around the world. These centers of excellence help children and their families navigate complex medical needs that require the highest level of care.

The 2024-2025 *U.S. News & World Report* evaluated 11 pediatric specialties, ranking children's hospitals in Texas as leaders in the nation, including:\*

	<b>Children's Medical Center Dallas</b>  Nationally ranked in 11 specialties, including <b>#2 in the nation for pediatric orthopedics.</b>
	<b>Cook Children's Medical Center</b>  Nationally ranked in 7 specialties.
	<b>Dell Children's Medical Center</b>  Nationally ranked in 6 specialties.
	<b>Texas Children's Hospital</b>  <b>Best Children's Hospitals Honor Roll</b> , one of the nation's ten best children's hospitals.  Nationally ranked in 11 specialties, including <b>#1 in the nation for pediatric cardiology, heart surgery, and nephrology.</b>

\*Not all of CHAT's member hospitals participate in the *U.S. News & World Report* hospital rankings.

Children's hospitals in Texas are proud to welcome patients from our own backyard and from around the globe, providing them with world-renowned treatment for a wide range of complex conditions and diagnoses.

***It's imperative we keep our children's hospitals strong and maintain Texas as a leader in pediatric care.***
